

Attached is the most recent list (as of 7/15/19) of Special Assessments certified from the City of Washington Court House that will be assessed to the Tax Year 2019 bills (Collection Year 2020). If the parcel owner wishes to pay the mowing and/or clean-up special assessment or disputes it prior to it being added to the upcoming tax bill, **please contact Cheryl Faulkner with the City of Washington Court House at 740.636.2373. The Auditor must have a letter from the City of Washington Court House to remove the certified special assessment.** Please note per section 727.30 of the Revised Code, Subdivisions (Townships and Municipalities) are to certify the special assessments to the county auditor by the second Monday in September of each year. The Auditor plans to update this Special Assessment sheet by the first part of October. Until that time, please feel free to contact the Auditor's office (740.335.6461) for the most up-to-date list of certified special assessments.
